

# Calling Artists!

## Spring in the Village/ Art at the Furnace 2018

Join us for the seventh annual  
outdoor art festival  
in the historic village  
of Catoctin Furnace.

Dear Artist,

We are thrilled to extend an invitation to you for the 2018 **Spring in the Village/Art at the Furnace** event in historic Catoctin Furnace, Maryland. During the past six years, more than 3,500 visitors have enjoyed the crafts, food and traditional atmosphere of the historic village during this family-friendly event.

Catoctin Furnace, a Frederick County Landmark and a National Register of Historic Places property, is in urgent need of repair and maintenance. Partnering with Friends of Cunningham Falls State Park and the Catoctin Forest Alliance, **Spring in the Village** added **Art at the Furnace** to the event name in 2016. This reflects not only a renewed emphasis on handmade art and crafts, but also a larger, village-wide event. All proceeds from this expanded event benefit the restoration and maintenance of the historic furnace, casting shed, retaining wall and Ironmaster's Mansion. On Saturday, May 5, and Sunday, May 6, Catoctin Furnace will be filled with original art, handmade crafts, delicious food, a wine garden and live music for an exciting spring weekend. Please join us, shop for lovely Mother's Day gifts and enjoy the ambiance of the historic village.

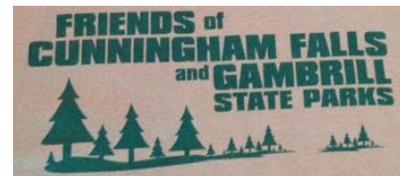

The registration fee will be \$45.00 for a single booth (10'x10') and \$90.00 for a double. This reduced registration fee is made possible through the generosity of event sponsor First Energy Foundation. Demonstrators please note: if you commit to providing historically accurate, educational demonstration of your craft throughout the weekend we will waive your registration fee.

We look forward to seeing you at **Spring in the Village/Art at the Furnace!**

Sincerely,

Spring in the Village/Art at the Furnace Organizing Committee
